Good morning Mr. Marshall,

I included Mr. David Frank in the email below, as my colleagues with the U.S. EPA and I understood he was the Tribal Historic Preservation Officer for the Seminole Nation of Oklahoma. The email was not delivered to Mr. Frank, but I was able to speak with him this morning and he informed me that you have been serving as the THPO for the Seminole Nation of Oklahoma for approximately two weeks. Per the email below, please see the attached signed letter from Jeaneanne M. Gettle, Director of the U.S. EPA Region 4 Water Division, regarding the EPA's approval of the State of Florida's request for assumption of a Clean Water Act Section 404 program and the Section 106 Programmatic Agreement. If you have any questions please let us know.
